SUBJECT: Breakfast Item for the Secretary of Defense

1. Since DoD is participating in the "Deception Lessons-Learned Seminar" on 10-12 May 1982 (e.g., Andrew W. Marshall, Director of Net Assessment, and Fred C. Ikle, Under Secretary of Defense for Policy), it seems appropriate to merely mention this event to the Secretary of Defense as a courtesy. You may also want to invite him to the dinner you are hosting on 10 May 1982, or to participate in other sessions.

2. Attached is the seminar agenda.
